

5 WAYS SMARTPREP IMMEDIATELY IMPACTED HOLY NAME

BEFORE SMARTPREP:

- **WASTED TIME**

Faculty forced to focus on improving students' basic skills.

- **LESS INNOVATION**

No time for faculty to focus on other areas of student development.

AFTER SMARTPREP:

1

50% LESS ATTRITION

The 1st semester SmartPrep used, attrition dropped from 20% to 10%.

2

PROVEN LEARNING

Didactic testing showed students better able to glean critical info in readings.

3

TOP SCORES

The school achieved its best success ever in medication-calcs assessment.

4

TIME SAVINGS

Responsibility of learning basic skills transferred from faculty to students, allowing advisors to focus on content acquisition and other areas of needed development.

5

MORE CONFIDENT STUDENTS

Students more engaged/better prepped for the rigors of nursing school.
