

8 FUN & UNIQUE ONLINE CLASS IDEAS YOU'VE (PROBABLY) NEVER USED

1 VISIT HOSPITALS VIRTUALLY

Take students inside real hospitals using their virtual tour options.

2 SHOCK STUDENTS WITH PAST PRACTICES

Ask students to explain dangers discovered in obsolete, historical medical books.

3 RELY ON ANCIENTS

Keep students on their toes by calling them out by name & using the Socratic method.

4 ESCAPE FROM BOREDOM

Develop an online "escape room" for fun educational lessons.

5 MIX IT UP

Prepare a combination of audio-recorded PowerPoints and video recordings to use in the same class lesson.

6 FIND FREE-DOM

Take advantage of free online platforms that make it easy to mix up activities and add to your lessons.

7 DISPLAY DIGITAL SAVVY

Use 2 devices: 1 for Zoom & 1 for drawing, running PowerPoints, writing on slides & more.

8 EMPOWER ACTIVE LEARNING

Embed pretests, posttests, learning checkpoints, & guided notes directly into recorded lectures.
