

WINGATE'S SUCCESS: KEY INSIGHTS

Kristen Barbee, PhD, MSN,
Program Director/Associate Professor
at Wingate University, explains how
her school's use of Pulse allowed
faculty to track students' progress and
remediate their weaknesses.

BEFORE PULSE

- Too little intel too late
- High NCLEX failure rate.

AFTER PULSE

- Fast ROI on improved pass rates
- Deficiencies detected early
- Confident students & grateful grads
- Clear, big-picture-outcome views
- Ecstatic faculty.
