- Unique weekly content activities and assessments
- Individualized post-assessment assignments based on performance
- ATI Focused Review
- Real-time Progress reporting
- On-demand access from a computer or tablet

### How is ATI Capstone integrated into my academic course?

- Implemented in the final courses of a school's pre-graduation curriculum (senior level courses).
- Utilized as supplemental materials to assist faculty in overall content review.
- Used in partnership with ATI Post Grad Manager to plan and integrate.
- Points for ATI Capstone assignments can be 5-10% of overall course grade.
- Assignments can be completed at school or at home.

### What does a Sample ATI Capstone Calendar look like?

- Links to calendars
  - [RN ATI Capstone Policy & Calendar](#)
  - [RN ATI Capstone+ Virtual ATI Policy & Calendar](#)
  - [PN ATI Capstone Policy & Calendar](#)
  - [PN ATI Capstone+ Virtual ATI Policy & Calendar](#)

### *How do I get started with Planning?*

- Complete the Post Grad Planning Questionnaire, then send it to [ATICapstoneadmin@atitesting.com](mailto:ATICapstoneadmin@atitesting.com) or ATI Post Grad Manager.

### *How far in advance can I start planning for my upcoming ATI Capstone?*

- Planning is encouraged as early as 6 months ahead and no later than 30 days before ATI Capstone review starts.

### *When is the last time I can make changes to my ATI Capstone Calendar?*

- Last adjustments should not occur later than 14 days prior to the ATI Capstone start date.

### *How do I enroll my students into ATI Capstone?*

- Submit your roster to [ATICapstoneadmin@atitesting.com](mailto:ATICapstoneadmin@atitesting.com) 30 days preferred, but no later than 14 days prior to the ATI Capstone start date.
- Ensure students have current email address on their ATI profile.
- Ensure student cohort roster is correct on [atitesting.com](https://atitesting.com) for the current group.

### *How do I manage my student cohort roster?*

- Click [link](#) to learn more about how to manage your roster.

### *How do my students orient to ATI Capstone?*

- Watch product highlight [video](#).
- Click [link](#) to register for a live orientation session.
- Complete the orientation module on [atitesting.com](https://atitesting.com) at the start of ATI Capstone.

### *How do faculty orient to ATI Capstone?*

- Watch product highlight [video](#).
- Click [link](#) to register for a live orientation session.

### *How do students get access to ATI Capstone?*

- Upon enrollment, students receive a welcome email with directions on how to begin.
- Students access ATI Capstone by logging into [atitesting.com](https://atitesting.com) under MY ATI, go to NCLEX PREP, and click the ATI Capstone Card.

### *How do I track my students progress in ATI Capstone?*

- Real-time progress reporting is available for both faculty and students on [atitesting.com](https://atitesting.com) under Analytics.
- Click [link](#) for directions on how to navigate real-time ATI Capstone Progress Reporting.

### *What are next steps if our students use both ATI Capstone and Virtual-ATI?*

- Students will transition into Virtual-ATI at the completion of ATI Capstone within 30 days of graduation.

### *What product support is available for Students and Faculty?*

- Contact ATI Capstone Admin at [ATICapstoneadmin@atitesting.com](mailto:ATICapstoneadmin@atitesting.com) for general questions.
- Use the Support Line: 800-667-7531.
- Your institution's NCLEX Services Manager is available.
